HOLIDAYS' HOMEWORK FOR CLASS 1
SESSION 2019-2020

***“Spread Smile, Spread Happiness
Stay Healthy and Stay Fit.”***

Dear Parents

You must be familiar with stamp collection, coin collection etc. Now let's start a new collection, the collection of Smiles..... Count the number of smiles you are giving and receiving every day. Smile is the gift given to you by The God. Giving and receiving smiles will reduce your stress, giving the strength to put up with the most unfavorable of situations. So, collect SMILES and spread happiness in you're and the child's life...

Here begins the long awaited summer vacation to cherish the **Smallest Moments In Life** Every-day, a golden time to relax, play, have fun, love, laugh and spend time with your child, family and friends. But it is also the time to inculcate in your child the **habit of Responsibility and Regularity**. It is for this purpose that the home work is planned for the students which will give them a **joyful learning experience** during the vacation.

We must always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time we spend with them. **Some innovative and fun ways to spend quality family time are listed below:**

- Encourage your child to speak short sentences of English and promote the usage of MAGIC WORDS..... PLEASE, SORRY, THANK YOU, EXCUSE ME....appropriately.
- While it isn't always possible for many parents to spend hours reading with their children, **a quick bedtime story or two before it is time to sleep can still have a great impact.**
- Tell your child different stories regularly and **encourage him to describe to also narrate it.**
- Have at least one meal together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- Enroll your child or yourself involve in any one of the following activities to enhance their gross motor skills: Aerobics, Dance, Swimming, Skating etc.
- The best habit one can inculcate while growing up is READING, because you BECOME WHAT YOU READ. Reading enhances language vocabulary, improves communication, and builds personality. **Therefore, please help your child use this summer break to read books.** Allow your ward to choose the books according to his/her interest.

“Together we can give our children the roots to grow and the wings to fly.....”
